

Helping you be successful

LET US SHOW YOU HOW TO IMPROVE YOUR SPEAKING SKILLS

Not only will you learn valuable tips and gain confidence as a speaker, you will also have the opportunity to practice these newly learnt skills in a friendly, encouraging environment.

Workshop 1: Learn about your personality style – self assessment

Workshop 2: Learn how to use your style when communicating

Workshop 3: Learn about your style when working with others

We use MBTI (Myers Briggs Type Inventory) as a tool to help us understand our communication style and what our preferences are.
